Order Subtotal \$ _____

+ Shipping (total to be determined by A2Z based on order specifics) \$ _____

Shipping information: Kits will be shipped to you directly. Shipping rates vary depending on # of kits ordered & where they are being shipped. Typically, shipping has averaged ~\$15 for most orders of 1-2 kits in the US. In our previous campaign, we heard shipping was very reasonable and speedy. (Please note that shipping charges outside the US will be more. A2Z can ship to Canada and Mexico via USPS Air. Shipments can also be made to Australia, Japan and Hong Kong, but law prohibits shipments to be made to Europe.)

Total amount of order (to be calculated by A2Z) \$ _____
